

MELTON

Adventures on the RC

ROCKLORIEN BOOK 1 • AGES 8–12

BOOK CLUB DISCUSSION QUESTIONS

1. Describe in detail where Melton lives. Are the weather and temperature similar to where you live?
2. There are three different subway lines in the RC Metro System. What are their names and how are they different?
3. Tell us all about *magoo*, what it is, and how it behaves.
4. Melton needs a Temp Shield. How would you design his temp shield? What is necessary to protect him?
5. What happened at the Mantle-Crust Boundary on the RC Metro? That place is real in our planet. What is it called?
6. At Mid-Ridge station Melton & Connie get to watch a light show. What was the light show about? What made it so spectacular?
7. Melton makes a mistake in Split. This is a mistake that everyone reminds him about. What happened and why was Connie so mad at Melton?
8. How does Melton enter Aloha? Is it the same or different than arriving at Mid-Ridge Station or Pluton?
9. Who is your favorite character and why? Is this character an Iggy, Seddy, or a Met?
10. Review the map of Rocklorien, which station would you want to visit and why?

Grab a comfy spot, read together, and let the conversation rock & roll!
